

GENERAL DECLARATION OF PPWR CONFORMITY

Regulation (EU) 2025/40 on Packaging and Packaging Waste

1. Company and Scope

Company:

müller co-ax gmbh

Address:

Friedrich-Müller-Straße 1
74670 Forchtenberg - Germany

Scope:

Packaging used or placed on the market by müller co-ax gmbh in the course of its business activities

2. Declaration of Conformity

müller co-ax gmbh hereby declares that the packaging it uses or places on the market in the course of its business activities complies with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste (Packaging and Packaging Waste Regulation – PPWR).

The PPWR has been directly applicable in the Member States of the European Union since 12 August 2026. Requirements for which the Regulation provides for later dates of application or transitional periods shall be implemented in accordance with the relevant statutory provisions.

3. Assessment and Documentation

Our packaging is assessed on the basis of the relevant legal requirements for each type of packaging, as well as the available material data, specifications and supporting documentation provided by our suppliers.

Where müller co-ax gmbh is regarded as a producer of packaging within the meaning of the PPWR, the conformity assessment and documentation processes required under the PPWR in accordance with Article 38 shall be carried out, and the technical documentation shall be drawn up in accordance with Annex VII. Where, following completion of the conformity assessment, conformity has been demonstrated, the EU Declaration of Conformity shall be issued in accordance with Article 39 in conjunction with Annex VIII.

4. Requirements taken into account

Depending on the type of packaging and the applicable date, we check the requirements relating to material restrictions, recyclability, recycled content, compostability, minimisation of packaging, reusability, and labelling and information. The requirements that actually apply to the specific packaging are decisive.

Changes to packaging materials, designs or legal requirements are taken into account during the assessment. Where necessary, conformity is reassessed.

5. Supply chain

For purchased packaging and packaging components, we also base our assessment on information and evidence provided by the relevant manufacturers and suppliers. The necessary information is obtained and documented as part of our supplier and compliance processes.

6. Purpose and Status of this Statement

This document serves as general customer information regarding the implementation of the PPWR at müller co-ax gmbh. It confirms compliance with the applicable PPWR requirements for the packaging for which we are responsible. Any EU Declaration of Conformity required for a specific item of packaging in accordance with Article 39 and Annex VIII is maintained separately for the respective packaging.
